*An Evening For Amy* is a celebration of the life and music of Amy Winehouse. Like so many other young creative spirits, Amy died as a result of multiple addictions: bulimia, drug and alcohol abuse.

A passionate group of local musicians, from highly acclaimed professionals to promising students, will be performing from the impressive catalogue of original and jazz standards recorded by Amy Winehouse over the course of her short life time.

All proceeds from ticket sales, silent auction, live auction, and art sale will go to benefit the

**Avalon Women's Centres** ([www.avaloncentres.org](http://www.avaloncentres.org))  
**Capilano University Jazz Studies Program**  
**Amy Winehouse Foundation**

Our goal is to raise funds and awareness to help women and young artists whose lives have been directly impacted by addiction.

You can show your support by purchasing tickets to attend, making a donation to Avalon Women's Centres so that a person currently struggling with addiction can attend, bidding in person or by proxy for silent or live auction items, or placing an advertisement in the concert program.
